

PRIVATE ART TOUR

4 to 8 hours

Private driver, car & expert
guide within Berlin

Differently than in Chelsea, New York City, or in the 13th quarter in Paris, Berlin art galleries, museums, artist studios and private collections are spread over several different areas in the city, which requires the art crowd to move between them if they are to find the best that the city has to offer since there is no obvious quarter that stakes its claim to the home of contemporary art in Berlin.

One reason why our unique art tour including luxury limousine service for contemporary art lovers is the most comfortable and elegant way of exploring Berlins booming art scene.

Providing its clientele with a constantly updated art tour through Berlins finest contemporary artgalleries, this service combines a flexible and luxurious means of transportation, with professional art guide service, without spending unnecessary energy of pre-arrangements. Private visits of for example Boros Bunker, Feuerle Collection or Sammlung Hoffmann can be arranged upon request.
