

# REAL BERLIN TOUR

4 to 6 hours

Private driver, car & expert  
guide within Berlin

Too often visitors to Berlin make the mistake of never venturing out of Mitte - the city center. While Mitte has the historic sites & monuments, it isn't what made Berlin the hip, vibrant, cultural capital of Europe. Escape the typical tourist track and get a feel for how Berliners live, eat, drink, and enjoy themselves.

Spend the day with our guides exploring the varied & diverse districts or Kiez of Berlin, which due to the city's history of destruction, division, and rebirth have each developed in radically different ways. Traveling a few blocks in this city can give you a whole new world of tastes & experiences. From the former Jewish quarter turned trendy gallery & arts district. To gritty Friedrichshain, home to night clubs, African beaches, and crumbling factories reclaimed by street artists & party goers.

To alternative Kreuzberg where Berlin's counterculture and creative types have taken root. To the historic former bluecollar, now mainly Turkish district of Neukölln', where immigrants and hipsters are recreating the city through food & drink. To Schöneberg, birth- place of Berlin's decadent club & cabaret culture, today heart of the city's vibrant gay community and luxurious shopping avenues.

Along the way your guide will give you a feel for Berlin's alternative artistic & cultural scene; show you culinary delights from historic cafes, street food stalls, and bakeries; lead you through eclectic neighborhood shops & farmers markets; show you how to relax and take in the city from its most iconic parks & rooftop views; perhaps give you a taste of Berlin's legendary nightlife, with it's hip bars and infamous techno clubs; and of course show you how to experience Berlin like a true Berliner.
